

# Stage 2 Water Restrictions

**Effective Until Further Notice**

## For Residential & Commercial Customers:

Watering of any lawn, garden, landscaped area, tree, shrub or other plant shall be prohibited from 9 a.m. to 5 p.m.

Water every other day on an "odd-even" schedule, which means watering according to address number.

There shall be no washing of sidewalks, driveways, parking areas, tennis courts, patios, or other paved areas apart from cleaning for sanitary purposes. Any washing must follow Stage 2 Water Restrictions including washing before 9 a.m. or after 5 p.m.

There shall be no refilling of swimming pools with water furnished by the City.

Permitted landscape installations will be allowed if they comply with existing Water Efficient Landscape Ordinance standards and follow current Stage 2 Water Restrictions.

No new water connections shall be authorized; however, existing authorizations shall be honored.

Tier 3 and 4 water rate surcharges will continue.

City still has the ability to enforce flagrant violations of water waste, as outlined in title 25 of City code.

# City of Aspen Commitments:

- Watering of golf courses and parks will be managed to achieve the reduction in water use.
- No new water connections will be authorized, except users with wells that have run dry.
- Increases in water rates for Tier 3 & 4 users.
